

St. Patrick Marriage Enrichment Ministry

Welcome! Please consider joining us as we come together in fellowship for discussion and learning about the marriage vocation.

As married couples we gain knowledge of our roles as husband and wife in order to discern and live more fully the sacrament of holy matrimony.

We offer social and spiritual events for couples at any stage of their marital journey. We strive to integrate our faith into our daily lives, growing closer to God and each other.

We rejoice in the many blessings of our parish, and seek to share our gifts in gratitude.

We meet on the 4th Tuesday of each month

in building 3 from 6:30 until 8:30 p.m.

Dinner and childcare are always provided.
