

Dear Parent,

Welcome to kindergarten. This will be an exciting, educational and fun filled year for your child. I ask that you please fill out the enclosed Kindergarten Information sheet. I know that there is a lot of information; however, I feel that it will help me in getting to know your child. Please complete this and return with your final registration packet.

In order to help your child prepare for kindergarten, included is a calendar of daily activities. Please keep track of these items by using the back of the calendar sheet. Also included is a math sharpener workbook, please ensure that these pages are also completed. These easy and fun filled tasks will assist your child in learning many of the required lessons needed for first quarter testing. On the first day of school, please have your child bring in the completed calendar and workbook. Feel free to have your child decorate the calendar and take an active role in preparing for kindergarten.

During the summer I frequently (almost daily) check my e-mail. If you have any concerns or questions, please do not hesitate to contact me at CGOYSICH@STPATSPARISH.ORG.

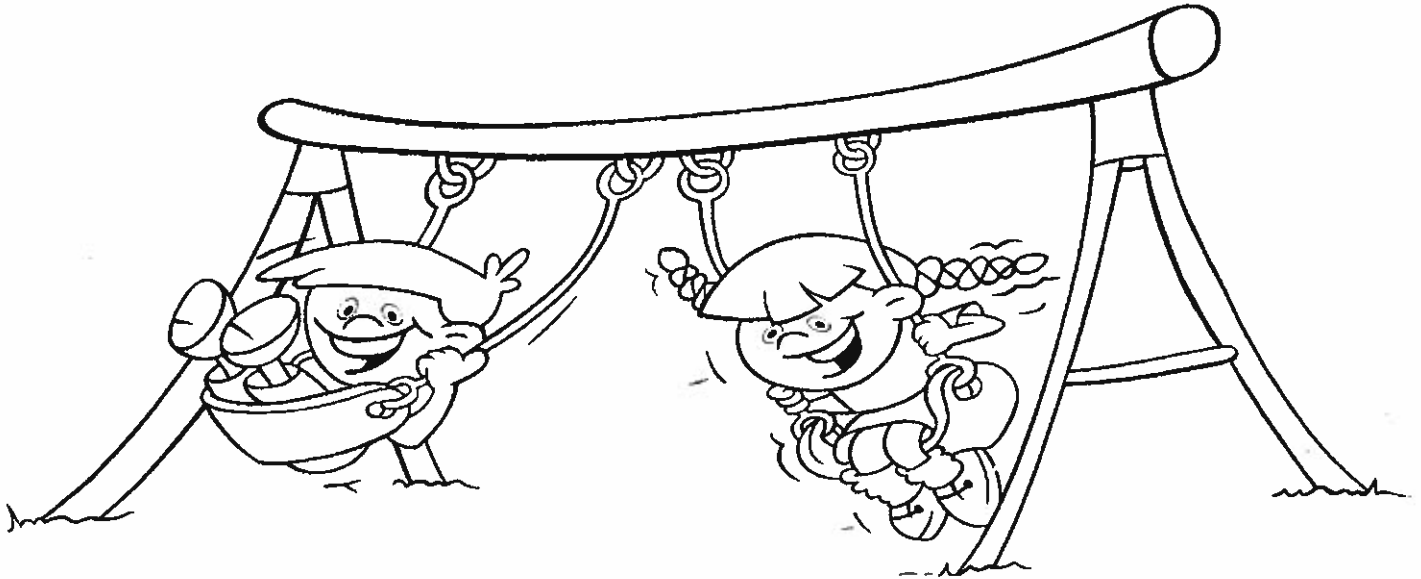

Thank you,

Mrs. Connie Goysich
